Keystone Direct Point-of-Service lets you maintain freedom of choice by allowing you to select your own doctors and hospitals. Under this plan, you must select a Primary Care Physician, but can access most care in-network or out-of-network without a referral. Referrals are required for routine radiology, spinal manipulation and physical/occupational therapy. You maximize your benefits when you access care from a Keystone participating provider. If you access care from a provider who does not participate in our network, higher out-of-pocket costs apply. Designated Site – Most PCPs are required to choose one radiology, physical therapy, occupational therapy, and laboratory provider where they will send their Keystone members. You can view the sites selected by your PCP at www.ibx.com.

This summary represents only a partial listing of benefits and exclusions of the Medical Program described in this summary. If your employer purchases another program, the benefits and exclusions may differ. Also, benefits and exclusions may be further defined by medical policy. As a result, this managed care plan may not cover all of your health care expenses. Read your contract/member benefit booklet carefully for a complete listing of terms, limitations, and exclusions of the program. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.ibx.com/SGBooklet or call 1-800-ASK-BLUE (TTY: 711).

Benefits may be changed by Independence Blue Cross to comply with applicable federal/state laws and regulations.

Certain services require preapproval/precertification by the health plan prior to being performed. To obtain a list of services that require authorization, please log on to <http://www.ibx.com/preapproval> or call the phone number that is listed on the back of your identification card.

In-network benefits are underwritten or administered by Keystone Health Plan East; Out-of-network benefits are underwritten by QCC Insurance company, subsidiaries of Independence Blue Cross - Independent licensees of the Blue Cross and Blue Shield Association. www.ibx.com
